Dear Crescentian,

A warm welcome to the Crescent family!

Congratulations on crossing a significant milestone in your life. Entering Secondary One can be a very exciting yet potentially daunting experience. You leave the comforts and the familiarity of primary school, and enter a whole new world of secondary school. Many changes await you as you enter this new phase in your life – new friends, new routines, new teachers and new experiences will come your way. You will need to learn to be independent, and to take responsibility for the things that happen in your life.

To help you embark on this journey in Crescent, your seniors and teachers have planned an exciting Orientation programme. The theme of your Orientation programme is 'Ad Meliora – Towards Better Things. As you step into Crescent, you will be given endless opportunities to grow and develop your passion in learning. With unwavering support from your friends, guidance from your seniors and teachers, you will navigate and find a place for yourselves to flourish and grow. In the Crescent family you will find a diversity of backgrounds and talents and individuals who support each other in their growth journey. We are one as Crescentians, and we hope that through the Orientation programme, you will discover what it means to be part of this family and reach for the stars.

Crescent has had more than 60 years of developing ladies and leaders for the nation. We have moulded generations of ladies with character – courtesy, generosity and sincerity. May you grow to appreciate what the school has done for all who have passed through our gates, and may you be excited at the possibilities that lie ahead of you as you journey with us in Crescent.

I wish you a most enjoyable and fruitful Orientation, and I look forward to getting to know you better in the year to come!

Regards,
